

Book I. Prop. III. Prob.

From the greater (— — —) of two given straight lines, to cut off a part equal to the less (—).

Draw — = — (pr. I.2);

describe  (post. III),

then — = — .

For — = — (def. 15),

and — = — (const.);

∴ — = — (ax. I).

Q. E. D.
